Covers installation defects for the lifetime of the original purchaser

1. WHAT IS COVERED — WORKMANSHIP WARRANTY

Bath Pro Tampa warrants the **workmanship of the installation for the lifetime of the original purchaser** from the date of completion. During the warranty period, Bath Pro Tampa will repair, at no charge, any defects directly attributable to faulty workmanship performed by Bath Pro Tampa or its authorized subcontractors.

Covered workmanship defects include, but are not limited to:

- Improper installation of shower pans, bases, or surrounds resulting in leaks
- Failure of caulk or sealant applied by Bath Pro Tampa at time of installation
- Structural defects in the installation caused by installer error
- Improperly secured fixtures, grab bars, or accessories installed by Bath Pro Tampa
- Water intrusion through installation seams or connections attributable to installer error

2. MANUFACTURER'S WARRANTY — MATERIALS & PRODUCTS

All merchandise, materials, and products — including Bellastone Systems acrylic wall panels, shower pans, fixtures, and accessories — are covered exclusively by the respective manufacturer's warranty, if any. Bath Pro Tampa makes no additional warranty, express or implied, with respect to the materials themselves.

Bellastone Systems acrylic wall panels carry a manufacturer's lifetime warranty against cracking, peeling, and fading under normal residential use. Customers should retain their product documentation for manufacturer warranty claims.
